

Guru Granth Sahib Jee Santhia (Level 6 Part 2) Review Material

In consultation with your child's teacher, revision material has been prepared to help students keep up with their GC studies. Parents are encouraged to help their children with the review material and continue their learning while at home. We understand that this is a challenging time for families and the resources are provided as time permits in your household.

You are encouraged to use the following links to read along and practice for 30 minutes daily up to ang 1262:
